

Delaware-Morrow Mental Health & Recovery Services Board

Supporting Wellness. Building Hope. Transforming Lives.

The Delaware Morrow Mental Health & Recovery Services Board is proud to sponsor Peer Recovery Supporter Training the week of November 11th through November 15th, 2019. The training will be from 12 noon until 8 pm at the board office on 40 N. Sandusky St, Delaware. This training fulfills the 40-hour state peer supporter requirement to take certification exam and will be provided at no charge to participants.

[Completed application and two references must be received prior to October 1, 2019.](#)

Individuals eligible to apply to be a State Certified Peer Recovery Supporter

- Persons with a direct lived experience of a mental health and/or substance use disorder who are actively in recovery and have:
 - Completed the required 16 hours of E-Based Academy courses
 - Completed an approved 40-hour in-person peer support training OR have a minimum of 3 years verifiable experience as a peer support, peer recovery coach, peer specialist, or peer navigator
 - Passed the OhioMHAS Peer Supporter Exam
 - Passed the BCI background check (if an individual has lived outside of Ohio, please also complete the FBI background check)
- Please note: Anyone who is currently on probation or parole will not be able to obtain certification until after their probation/parole has ended. However, individuals are still able to complete the training while on probation/parole.

OhioMHAS Peer Recovery Supporter Training Application

- The purpose of the following application is to be considered for the 40-hour, in person training required for Peer Recovery Supporter Certification. We ask that you complete your 16-hour, E-Based Academy courses prior to the start date of the training you are applying for.
- State Certified Peer Recovery Supporters must have a personal, lived experience with a mental health and/or substance use disorder. The state requires that Peer Supporters have achieved a minimum of two years in recovery.
- Applicants must secure two references to support a person's journey to becoming a Certified Peer Supporter.
