2. **Approval of Agenda:** *Joe Gigliotti, Board Chair*

Joe asked if there were any changes to the Agenda and Deanna stated there were none from the Staff.

Motion 21.05.01: Annie Horstman moved to accept the Board meeting agenda, Steve Serio seconded and the motion carried 11-0.

3. **Approval of April 15, 2021 Board Meeting Minutes:** *Zach Miller, Board Secretary*

Joe said he would handle the meeting minutes in Zach's absence and asked if there were any the changes or revisions. Lynnette Cook stated she was not listed as in attendance, but she was. Joe said with that revision, he would entertain a motion to approve the April 15, 2021 Board Meeting Minutes.

Motion 21.05.02: Lynnette Cook moved to approve the April 15, 2021 Board Meeting Minutes, Annie Horstman seconded and the motion carried 12-0.

4. **Approval of March 18, 2021 Planning Committee Meeting Minutes:** *Lynn Stacy, Planning Committee Chair*

Lynn asked if there were any discussion, additions, or corrections to the minutes and if not, asked for a motion to approve.

Lynnette Cook stated she noticed there were question marks indicating that this version may not be finalized. Deanna indicated that the approval could be tabled until the next board meeting.

Motion 21.05.03: Benjamin Winkler moved to table the March 18, 2021 Planning Committee Meeting Minutes to the June 17th Board meeting, and the motion carried 12-0.

5. Approval of May 20, 2021 verbal report from the Planning Committee: *Lynn Stacy, Committee Chair*

Lynn stated a very short meeting was held prior to the Board meeting and asked there was any discussion or questions concerning the meeting. Lynn said since there was none, asked for a motion to approve the verbal report for May 20, 2021

Motion 21.05.04: Carolyn Slone moved to approve the verbal report from the May 20, 2021 Planning Committee Meeting, Tiesha Johnson seconded, and the motion carried 12-0.

6. Committees and Director's Reports:

A. Community Impact Report: *Kristan Warren, Community Impact Director*

Kristan stated her report was in the board packet, and it highlighted a number of changes coming into the state of Ohio. Kristan said she wouldn't go through all of them, but if anybody has any questions, she would be happy to answer those.

B. Communications Report: *Kyle Lewis, Communications Director*

Kyle stated his communications report was in the packet and he would be happy to answer any questions. Kyle said that we have gotten our report back from Illuminology and we had a meeting with Orié Kristel and he will be presenting that at the June 1, 2021 Executive Committee meeting. Kyle stated he would be happy to pass along any questions from anyone who can't make it.

Deanna asked Kyle to speak briefly in general terms about the report in terms of what the results were.

Kyle stated the survey showed that people have a lot of support for mental health in general, but aren't necessarily as familiar with what exactly the Board does, and that they were very supportive of our crisis care efforts and of our family and child services. Kyle said we received neutral to positive results on the majority of things that were asked and very little negative.

C. Executive Director's Report: *Deanna Brant, Executive Director*

Deanna stated she had not completed her report and would get it sent out to the Board early next week, but she had two important items to discuss. The first item was that the language

about revisions to board appointment numbers and procedures did make it into the Budget Bill, and we're actively advocating on behalf of retaining the current categorical appointments and board size. She said she has sent letters and spoken to all of the Senators and County Commissioners, trying to gain some support to revise the amendment or eliminate that concerning language.

Deanna said the second item concerned the noticed that the health orders will be changed for the State of Ohio starting June 2nd, but the Emergency Order is still in place until the end of June. That allows us to continue our virtual meeting process through the end of June. She has been told that they expect that to be continued through the end of December, but the General Assembly will get to decide. Deanna stated that for us, the issue is both Board attendance and meeting space since our conference room isn't big enough to safely accommodate large meetings.

D. Nominating Committee: *Carolyn Slone, Nominating Committee Chair*

Carolyn stated she would first like to thank Zach and Del for helping make the calls to everybody.

Carolyn then proceeded to explain the process for the nominations. She stated she would name the people that have agreed to serve and the position they agreed to serve in and then she would need a motion to close that position.

Carolyn stated the slate of officers would start with Board Secretary and the nominee is Lynn Stacy. Carolyn then asked if there were any nominations from the floor and then having none asked for a motion to close the Board Secretary position.

Motion 21.05.05: Steve Serio moved to accept the nomination of Lynn Stacy for Board Secretary for FY2022, Del Robeson seconded, and the motion carried 12-0.

Carolyn stated the next officer would be Board Vice Chair and the nominee is Marnie Whaley-Buckel. Carolyn then asked if Marnie's re-appointment was complete and Deanna stated that it had been submitted to OhioMHAS two weeks ago and there was only one person handling Board appointments. Deanna said she felt confident that OhioMHAS would re-appoint her but will follow up before the June Board meeting. Carolyn asked if there were any nominations from the floor and then having none asked for a motion to close the Board Vice Chair position nominations.

Motion 21.05.06: Annie Horstman moved to accept the nomination of Marnie Whaley-Buckel for Board Vice Chair for FY2022, Lynn Stacy seconded, and the motion carried 12-0.

Carolyn stated the next officer would be Board Chair and the nominees are Kathleen Johnson and Tiesha Johnson. Carolyn asked if there were any nominations from the floor and then having none asked for a motion to close the Board Chair position nominations.

Motion 21.05.07: Steve Serio moved to accept the nominations of Kathleen Johnson and Tiesha Johnson for Board Chair for FY2022, Annie Horstman seconded, and the motion carried 12-0.

Carolyn stated the officers would be voted in at the June 17th Board meeting.

7. Public Comments:

Safe Harbor – Angela Lee said June 5th they are having a fundraiser, which is a tag sale and raffle, which will be at their Delaware location on Paddock Court from 9 to 3. The first prize is an OSU Fire pit that they made for them and donated by the inmates at Marion Correction on the Voc Rehab. On July 2nd we are having a giveback lunch for all of their consumers, as well as funders, partners, and so forth.

The Ohio Department of Mental Health and Addiction Services sent out a request for people to submit applications for a Scholarship to Cornell University. Angi submitted one and was 1 of 20 that were picked. Angi is getting certified in benefit planning and management for all the different types of benefits systems.

Angi stated they received a grant for an oral brush healthy program, it's a train-the-trainer program and is specifically for helping people with their oral health, who are in mental health or addiction recovery and are hoping to start that program probably in July, Over the past couple of months, they've applied for approximately \$350,000 in grant funding, but they we won't know anything, probably until October. Their strategic plan should be done within a month.

Maryhaven – Melissa Meyer said she would let Rhonda Milner give the update. Rhonda said that their MAT (Medication Assisted Treatment) walk in services hours have expanded so people can walk-in Monday through Thursday between 8am and 10am, and they can get started on Suboxone or Vivitrol right away. They still have their normal walk in from 8 to 4 Monday through Friday, but they can now get people started on medication promptly, get them in the services that they need, and that higher level of care more quickly. They are 75% in-person, now, about 25% still telehealth and trying to move in the direction of more in-person. They held their first in-person juvenile Underage Drinking program this past weekend, and it went really well. Melissa said she wanted to clarify that the MAT walk-in expansion start date is June 1st.

RPR – Tony Williams stated they hired the nurse to co-ordinate the Alpha Stim Demonstration Project and are looking at probably a June 7th start date for that person. They are in the final stages of hiring, the digital therapist, an independently licensed master's level therapist. The Prevention people are busy wrapping up this year's school programs and preparing for summer programs and for next year school programs.

NAMI – Todd Walts stated that in March they started an advertising campaign up in Morrow County and got “more aggressive” with it in May. They are launching a third support group in Morrow County that will start the fourth Thursday of June. Last month they completed a peer-to-peer class in Morrow County and are in the process of planning their largest fundraiser, which is their NAMI walk, which will be October 9th.

Syntero – Erica Wood said that Syntero will once again be offering eight weeks of school summer prevention groups and they're going to be virtual again. They are hoping to be back in-person next year. These groups are going to be for students K through 12 and all eight school districts in Delaware or Morrow Counties, and each age group has an evidence-based curriculum in the domains of social skills, worry, emotional regulation, and executive functioning. Sign-up started for that on Monday, and they already have well over 100 students signed up for programming the summer. Julie Rinaldi said she wanted to let everyone know, they're easing back into in person

services and all of their school-based folks went back in early March, and it was “wonderful.” Their outpatient program is starting to move into in-person and some hybrid mid-June.

Southeast – Wendy Williams said Southeast is going to be adding certain evening hours to their Delaware location starting next week and she’s really happy to talk about the early Psychosis Intervention Program. They have the team leader, a therapist and training starting tomorrow.

HelpLine – Sue Hanson stated they are also moving more towards in-person. They will be doing some in-person prevention programs this summer with afterschool programs or daycare programs as well as starting to plan the suicide prevention walk.

Turning Point – Amber Scott stated they are in the process of developing a pilot program to provide child respite services to all families in the shelter. She said this will allow residents to work on setting up appointments for a life outside the shelter without having to worry about their children and they are looking for volunteers to assist with this, in addition to staff.

8. New Business:

a. FY2022 School-Based Prevention Services Recommendation

Deanna stated she had included in the Board packet some information about the background of this particular agenda item. She said we're in the midst of updating the board strategic plan, and prior strategic plans and in the existing plan were specific goals and objectives around school-based prevention.

Deanna said the original conversations about this date back several years. And after a pretty significant planning process, the staff are recommending a strategy shift in school-based prevention from an external staff provided, kind of a single shot curriculum process to a model that's integrated into the fabric of the schools and classrooms. This was suggested to the Board by a school district, as we had conversations about board funding around a number of services potentially not meeting the need, in particular when you have population growth and student enrollment increases.

Deanna stated Board Staff explored other models and would like the board to consider shifting their strategy from the existing prevention programs to the integrated PAX and Botvin LifeSkills models. She wants to have the Board be aware that this actually is a funding strategy shift, for their consideration.

Joe asked there was language for a motion. Kelly Wood read the following motion:

Motion: The Board Staff recommends that the full Board adopt the strategic shift to the integrated PAX and Botvin LifeSkills, school-based prevention models.

Motion 21.05.08: Chris Shamro moved to accept the motion, Del Robeson seconded and the motion carried 12-0.

b. FY2022 Provider Investment Recommendations

Deanna and Beth reviewed the PowerPoint presentation on the Provider Investment Recommendation and how they came up with the recommended dollar amounts.

Joe asked if there was language for the motions. Kelly Wood read the following motions:

HelpLine

Motion: The Board Staff recommends the full Board accept the FY2022 provider application from HelpLine and enter into a 12-month contract for FY2022 in the total amount of **\$1,959,144**.

Motion 21.05.10 Benjamin Winkler moved to accept the motion, Chris Shamro seconded and the motion carried 12-0.

Maryhaven

Motion: The Board Staff recommends the full Board accept the FY2022 provider application from Maryhaven and enter into a 12-month contract for FY2022 in the total amount of **\$1,491,120**.

Motion 21.05.11: Chris Shamro moved to accept the motion, Annie Horstman seconded and the motion carried 12-0.

NAMI

Motion: The Board Staff recommends the full Board accept the FY2022 provider application from NAMI and enter into a 12-month contract for FY2022 in the total amount of **\$254,331**.

Motion 21.05.12: Chris Shamro moved to accept the motion, Annie Horstman seconded and the motion carried 12-0.

Safe Harbor

Motion: The Board Staff recommends the full Board accept the FY2022 provider application from The Group of Delaware County dba Safe Harbor Peer Support and enter into a 12-month contract for FY2022 in the total amount of **\$413,269**.

Motion 21.05.13: Chris Shamro moved to accept the motion, Steve Serio seconded and the motion carried 12-0.

Southeast Healthcare

Motion: The Board Staff recommends the full Board accept the FY2022 provider application from Southeast, Inc. and enter into a 12-month contract for FY2022 in the total amount of **\$1,077,274**.

Motion 21.05.14: Chris Shamro moved to accept the motion, Lynn Stacy seconded and the motion carried 12-0.

Syntero

Motion: The Board Staff recommends the full Board accept the FY2022 provider application from Syntero and enter into a 12-month contract for FY2022 in the amount of **\$2,443,010**.

Motion 21.05.15: Chris Shamro moved to accept the motion, Lynn Stacy seconded and the motion carried 12-0.

Turning Point

Motion: The Board Staff recommends the full Board accept the FY2022 provider application from Turning Point and enter into a 12-month contract for FY2022 in the total amount of **\$439,039**.

Motion 21.05.16: Steve Serio moved to accept the motion, Chris Shamro seconded and the motion carried 12-0.

The Jacob Edward Walls Foundation recommendations were tabled until the June 17, 2021 Board Meeting

c. **Prevention Awareness Support Services**

Deanna said that in the Board packet was background information around how the Board staff arrived at the recommendation to allocate prevention funding to Prevention Awareness and Support Services for FY2022.

Deanna stated that we have an application process as part of the regular provider application timeline and after considering the applicants, the board staff is recommending a FY2022 contract with Prevention Awareness Support Services to implement PAX and Botvin LifeSkills in the Delaware and Morrow County schools.

Deanna said that in PASS's application, the FY2022 costs for such programming was proposed at \$414,117. This is fully funded from the State Opioid Response 2.0 Grant in the amount of \$611,836.52. We are recommending the Board approve a contract that could begin right away, and the amount not to exceed that \$611,836.52. It is expected them that costs will come in under that amount, but want to have a little bit of cushion as this is a brand new program.

Joe asked there was language for a motion. Kelly Wood read the following motion:

Motion: The Board staff recommends that the full Board enter into a FY2021 and FY2022 Provider Agreement with Prevention Awareness Support Services in

an amount not to exceed **\$611,836.52** for the implementation in the Delaware and Morrow County schools of the school-based prevention services described in their proposal.

Motion 21.05.17: Chris Shamro moved to accept the motion, Annie Horstman seconded and the motion carried 12-0.

d. FY2021 Recovery & Prevention Resources Provider Contract Extension

Deanna stated she had included the information for this item in the packet and then reviewed the two types of funding, Treatment and School-Based Prevention, that Recovery & Prevention Resources receives from the Board. Since the Board has decided to shift prevention strategies to the model that has been talked about, PAX and Botvin which will be provided elsewhere, that leaves a treatment bucket.

Deanna stated that rather than renew a contract for the sole purpose of that limited treatment service allocation to Recovery & Prevention Resources, it is being recommended the Board approve an amendment to the existing contract through July 30th of 2021. This will allow the Board Staff and Recovery & Prevention Resources Staff to work collaboratively to make arrangements for any treatment services that will need to be provided.

Deanna stated that we are in the midst of an analysis of service provisions for the clients that are enrolled in GOSH and currently actively receiving treatment services, and we hope to have a written plan agreed to, and an amendment to the existing contract that would allow for a treatment costs, subject to the terms of our contract amendment, not to exceed dollars left in the treatment bucket in their existing contract.

Joe asked for motion language and Kelly Wood read the following motion:

Motion: The Board staff recommends amending the Recovery and Prevention Resources FY2021 Provider Agreement to extend treatment services reimbursement for eligible Delaware and Morrow residents through July 30, 2021 at a cost not to exceed **\$299,925**.

Motion 21.05.18: Kathleen Johnson moved to accept the motion, Lynnette Cook seconded and the motion carried 12-0.

e. FY2022 Community Partnership Agreements

Deanna reviewed each agreement and Kelly Wood read the language for each motion as follows:

Civil Commitment Counsel

Motion: The Board Staff recommends the full Board renew the agreement with Mike Evans, Esq., Greg DuPont, Esq., and Kelly Patton, Esq., in the amount of up to **\$5,000** per attorney for FY2022 to provide civil commitment legal services.

Motion 21.05.19: Kathleen Johnson moved to accept the motion, Lynnette Cook seconded and the motion carried 12-0.

Columbus State Community College/Syntero

Motion: The Board Staff recommends the full Board renew the agreement with PACE Mentoring Partners in the amount of up to **\$84,392** to provide in-reach re-entry services for FY2022.

Motion 21.05.25: Del Robeson moved to accept the motion, Benjamin Winkler seconded and the motion carried 12-0.

SourcePoint - Syntero

Motion: The Board Staff recommends the full Board renew the agreement with SourcePoint to fund two behavioral health professionals for in-home behavioral health services based on a 50% Board/50% SourcePoint cost sharing basis. DMMHR SB will contract with Syntero to provide two professionals, (one Mental Health and one SUD) at a total cost of **\$189,541** for FY2022. DMMHR SB's share would be up to **\$94,770.50** minus third party payer reimbursements.

Motion 21.05.26: Kathleen Johnson moved to accept the motion, Annie Horstman seconded and the motion carried 12-0.

Strengthening Families – Syntero – Family & Children First Council

Motion: The Board Staff recommends the full Board renew the partnership with United Way of Delaware County for two full-time behavioral health professionals to provide behavioral health early interventions, linkages and supports for youth and families. The DMMHRS Board would contract with Syntero to provide these full-time professionals at the rate of **up to \$156,000**. The DMMHRS Board's share would be up to **\$117,000**.

Motion 21.05.27: Benjamin Winkler moved to accept the motion, Lynn Stacy seconded and the motion carried 12-0.

f. FY2022 Master Residential Services Agreements

Deanna reviewed each agreement and Kelly Wood read the language for each motion as follows:

Access Ohio - Star Center

Motion: The Staff recommends the full Board renew the First Half FY2022 Master Agreement with ACCESS Ohio to provide Delaware and Morrow County adults with severe mental illness access into the STAR Center at a rate of \$250.56 per diem, with the condition that such admissions be pre-approved by the Associate Director or designee.

Motion 21.05.28: Annie Horstman moved to accept the motion, Benjamin Winkler seconded and the motion carried 12-0.

FY2022 Adult Care Facilities Master Agreement

Motion: The Board Staff recommends the full Board renew the FY2022 Master Agreements with ALS Millersburg, Diamond View Residential Care, Hilltop Villa, Oasis Community Home, and Thatcher Establishment to provide Delaware and Morrow County adults with severe mental illness with access to Adult Care Facilities as pre-approved by the Associate Director.

Motion 21.05.29: Del Robeson moved to accept the motion, Lynn Stacy seconded and the motion carried 12-0.
